PROFILE

My name is Jameer. I want to become a full-stack developer, and I'm passionate about developing dynamic websites in the Java programming language. Now I'm currently preparing for my last year of a Bachelor of Computer Science from the College of Computer Science and Information Technology, Latur, in Maharashtra. I'm living in Ahmedpur it's my village, which belongs to Latur District.

Experienced web developer adept in all stages of advanced web development. Bringing forth expertise in the design, installation, testing, and maintenance of web systems. Able to effectively self-manage during independent projects as well as collaborate in a team setting.
